PROJECT INFORMATION

Please refer to the Project Guidelines (attachment 1) in the Property Enhancement Program for recommended materials.

The project will involve (please check all that apply):

- _____ Storefront/ Exterior Rehabilitation
(Walls, Bulkheads, windows, Main Entrance doors, Entry Paving, and Awnings.)
- _____ Streetscape Improvements (Must be incorporated with Storefront/ Exterior Rehabilitation)
(Trees, benches, sidewalks, special paving materials, lighting, and parking completion)
- _____ Barrier Free Access (Must be incorporated with Storefront/ Exterior Rehabilitation)
(Ramps, Facilities, Sidewalk Improvements)
- _____ Fire Suppression Systems (Must be incorporated with Storefront/ Exterior Rehabilitation)
(Service Lines, Suppression System)

Please note: The following items need to be included in grant program.

- Removal of inappropriate "modern" facade treatments
- Removal/replacement of inappropriate signs and/or lighting
(new signs/lights must be compatible with existing architecture and Village Ordinance)
- Repair or restoration of original brick and woodwork
- Other as deemed necessary

It is the intent to provide additional financial assistance for comprehensive redevelopment plans with an emphasis on the reuse or upgrading of existing commercial properties.
