Dear Committee Members,

I am writing to express my enthusiastic support for building a non-motorized Trail in Sparta. I look forward to biking and walking with my family, friends, and out of town guests on a path that links Sparta's beautiful parks, neighborhoods to the downtown business district, and allows the community to appreciate the natural beauty of Nash Creek. The proposed trail will add to the quality of life in our town.

I support building a local trail in Sparta because:

Sincerely,
